THE CONNECTED RECRUITING WORKSPACE

The connection your team builds.

A candidate on one side. An opportunity on the other. The consulting team brings them together.

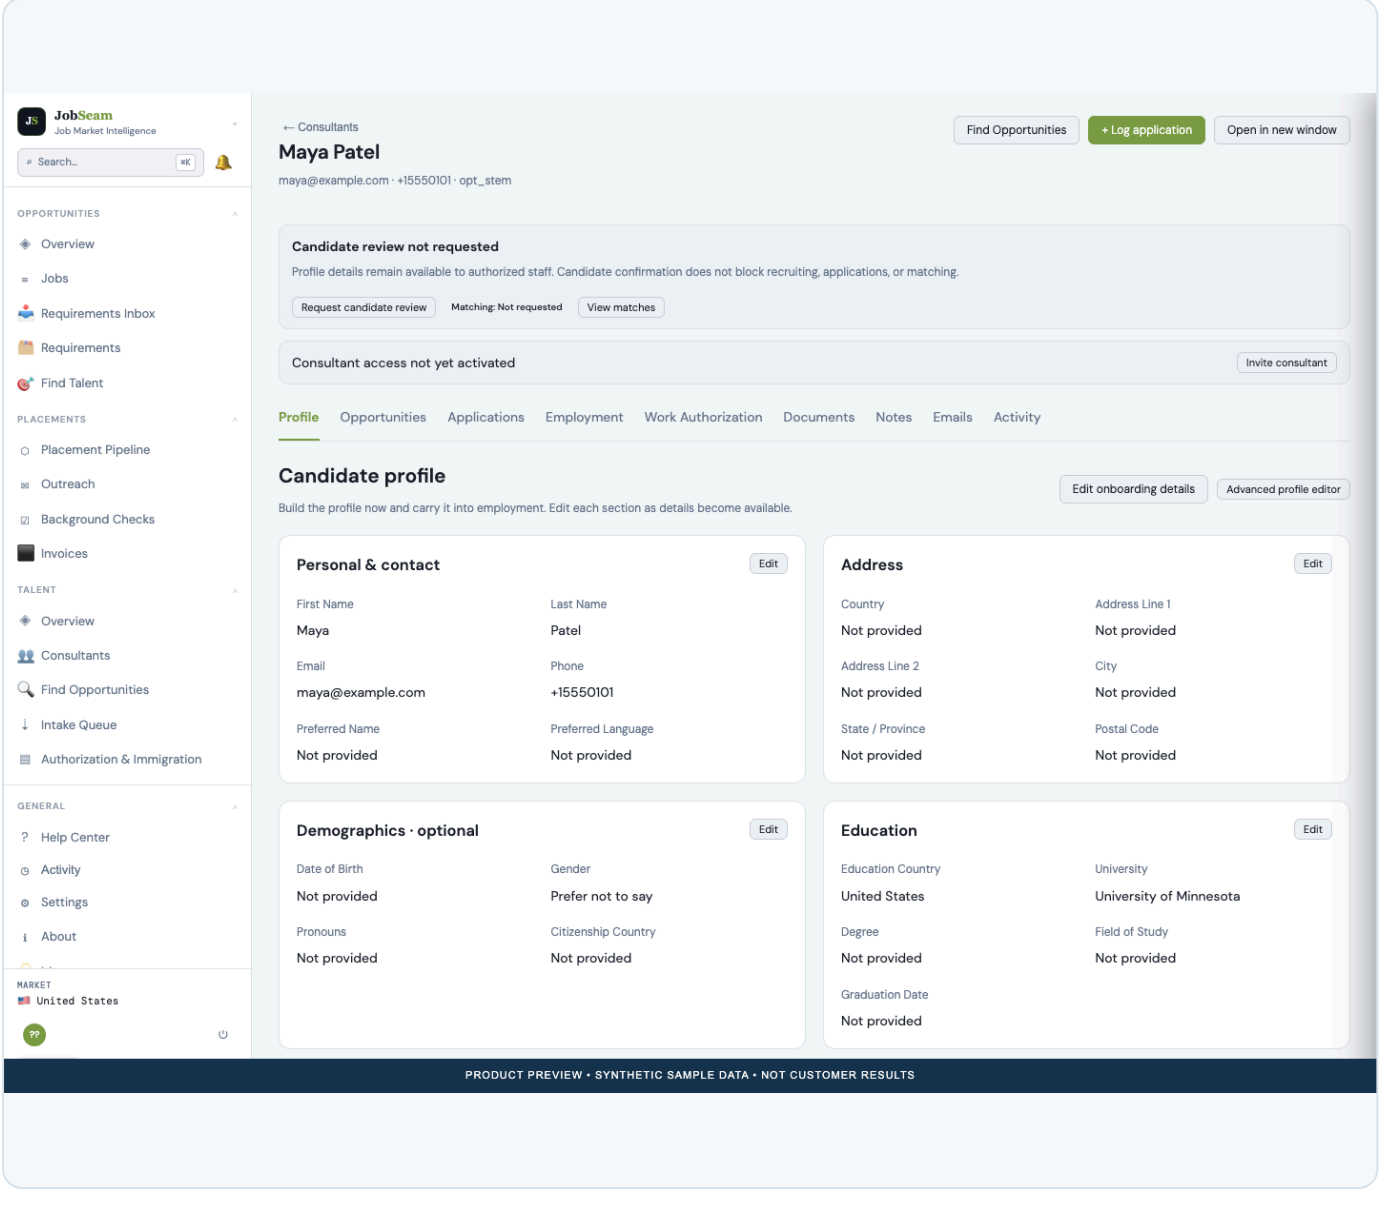

Illustrative workflow. No placement outcome is guaranteed.

THE CONNECTED RECRUITING WORKSPACE

Know the person. Keep the context.

Profile details and related work belong together. Staff and consultants can each contribute through their permitted access.

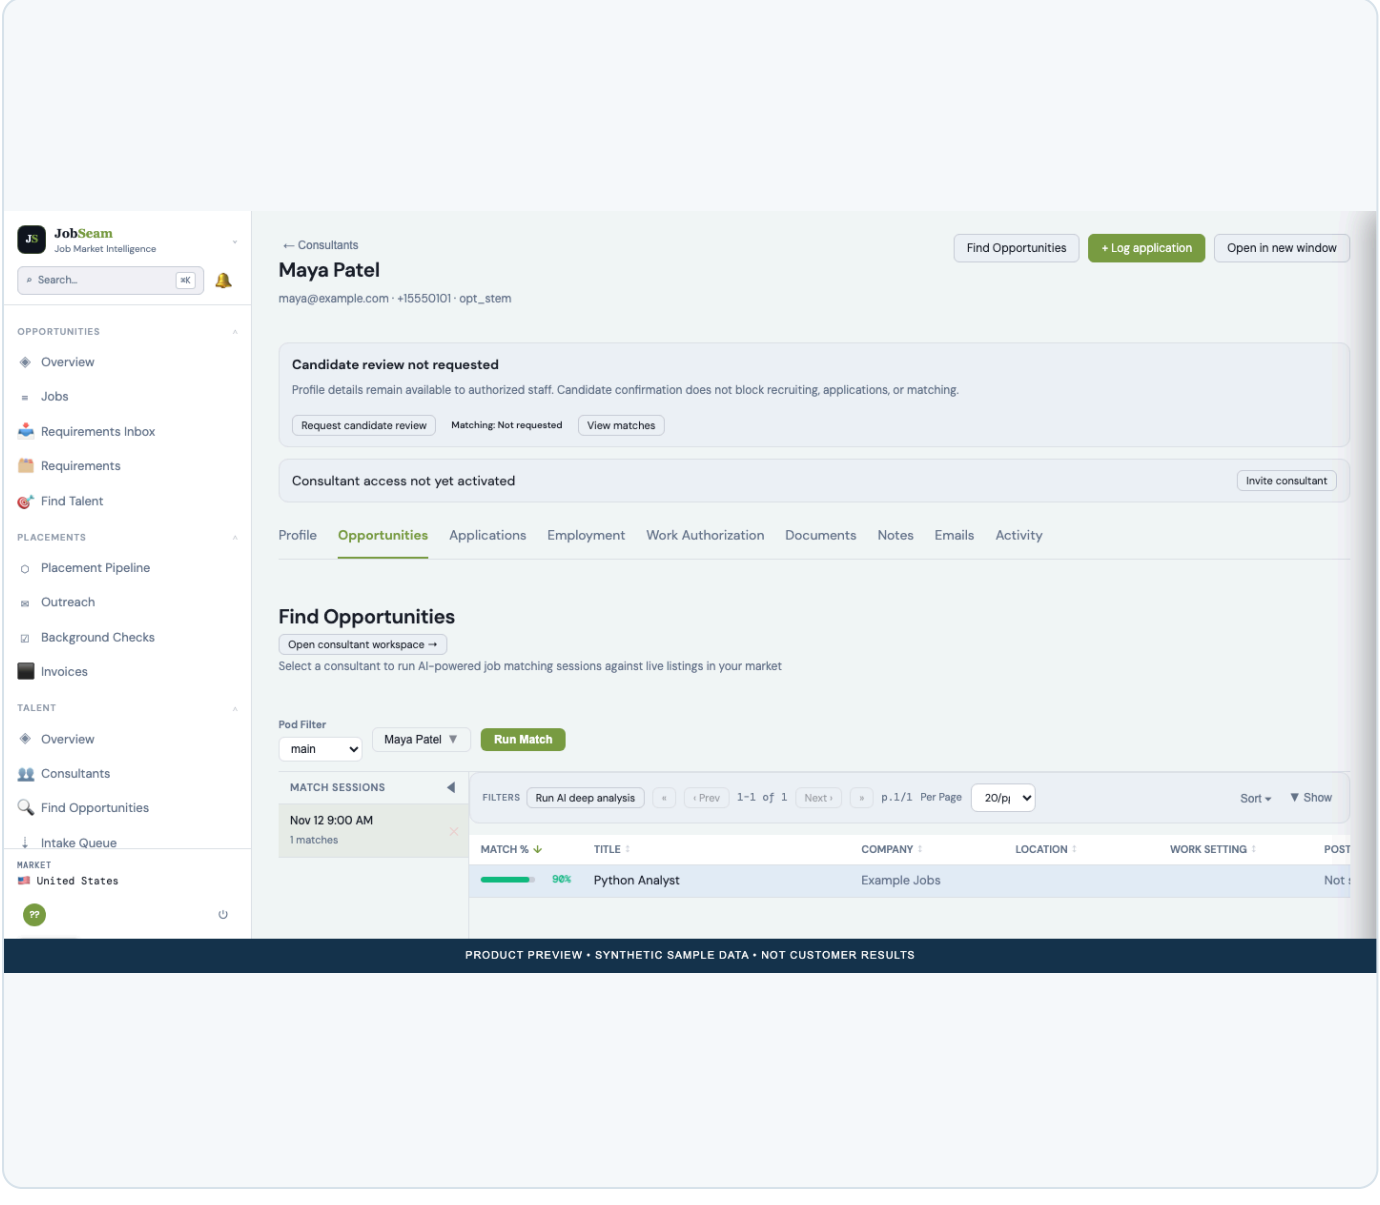

Actual interface. Synthetic sample data.

THE CONNECTED RECRUITING WORKSPACE

Find a fit. Read the evidence.

Review saved opportunity matches. A score is a starting point. People make the decision.

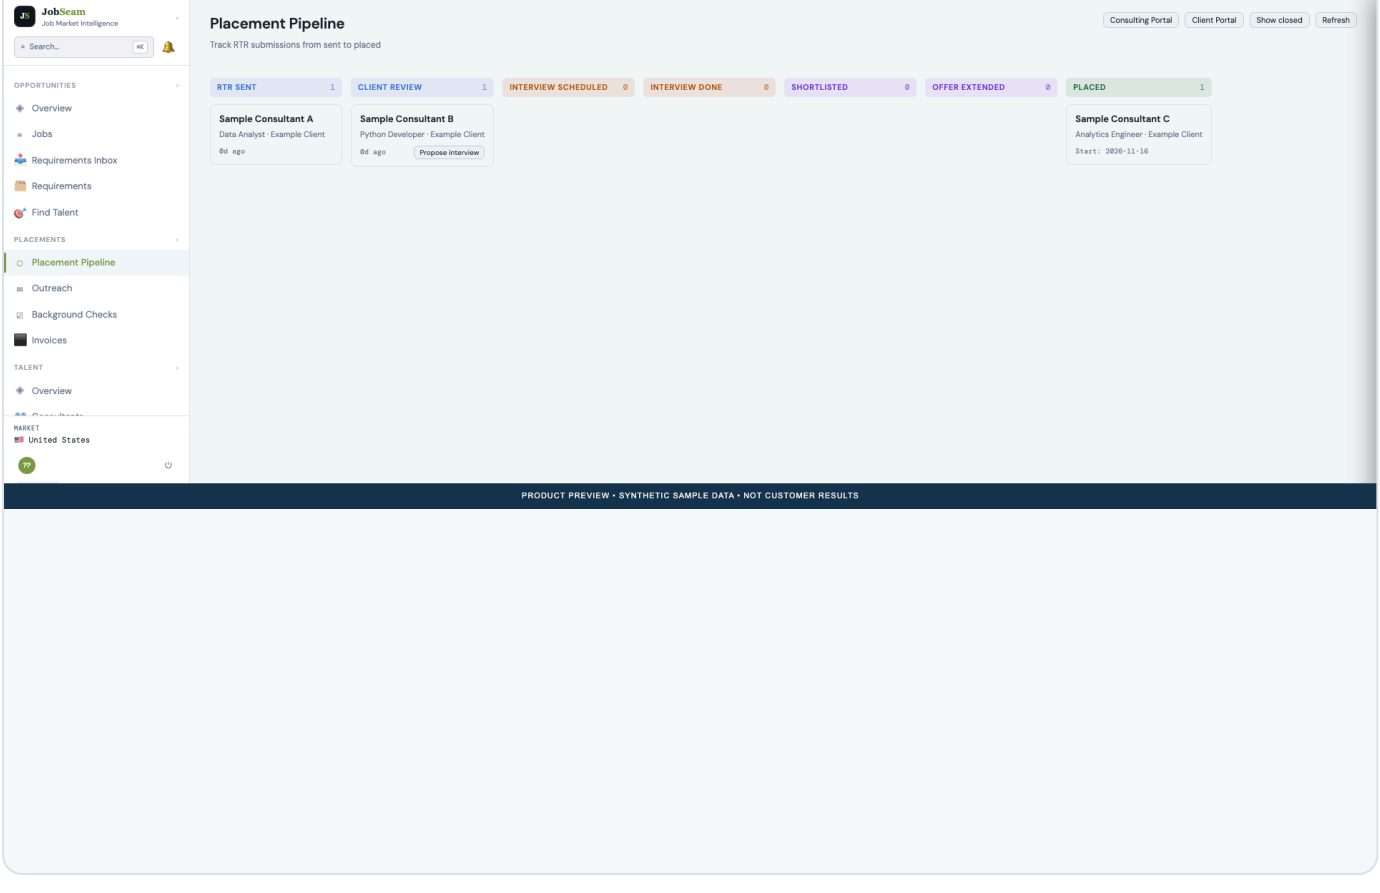

Illustrative sample scores. Not hiring predictions.

THE CONNECTED RECRUITING WORKSPACE

Make the next step visible.

Follow submissions through review, interviews, offers and placement.

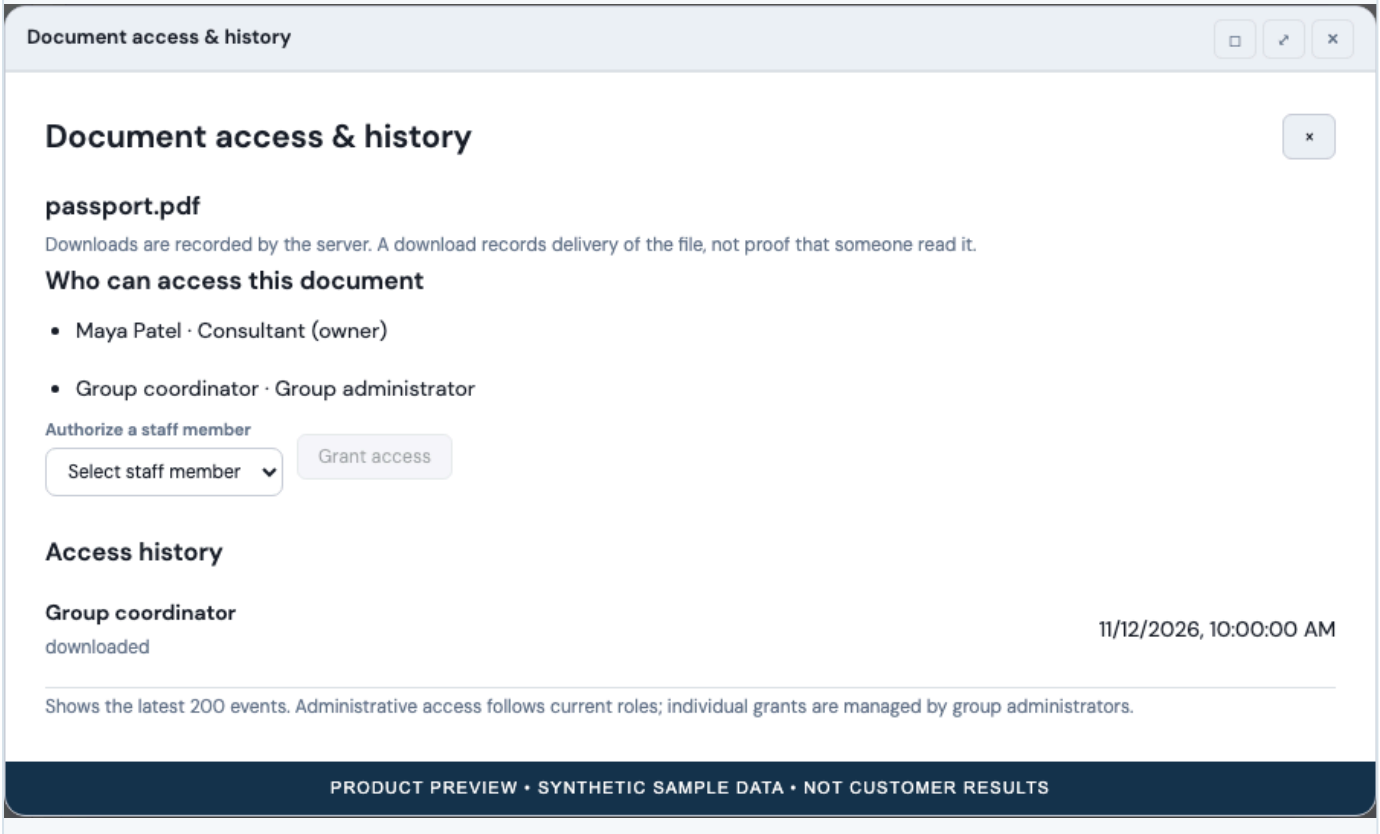

Synthetic submissions. Not customer placement results.

THE CONNECTED RECRUITING WORKSPACE

Be clear about access.

Review who can access a document and its recorded access history.

Actual access dialog with synthetic sample data. Not a security certification.
